PUBLISHER
Jurusan Teknik Lingkungan, Fakultas Arsitektur Lanskap dan Teknologi Lingkungan, Universitas Trisakti, Jakarta, Indonesia in associated with Ikatan Ahli Teknik Penyehatan dan Teknik Lingkungan Indonesia (IATPI).

ABOUT JOURNAL
Indonesian Journal of Urban and Environmental Technology, formerly name is Jurnal Teknologi Lingkungan (indones.j.urban.environ.technol/urbanenvirotech) has been published since 2004 by Jurusan Teknik Lingkungan, Fakultas Arsitektur Lanskap dan Teknologi Lingkungan, Universitas Trisakti, Jakarta, Indonesia. This journal is an ideal academic platform to link researchers, scientists, engineers and practitioners with common interest. It aims to provide media for sharing and publishing the latest research results, ideas, development and applications in the Urban and Environmental Technology areas. This Journal is consistently published two times a year in April and October.

SCOPE OF JOURNAL
The scope of the journal emphasis but not limited to Urban Environmental Management and Environmental Technology.

Urban Environmental Management: environmental modeling, cleaner production, waste minimization and management, energy management and policies, water resources management, water supply and sanitation, industrial safety and health, water recovery and management, urban environmental pollution-diseases and health status, eco-drainage, flood
risk management, risk mitigation, climate change and water resources adaptation.

**Environmental Technology**: energy efficiency, renewable energy technologies (bio-energy), environmental biotechnology, pollution control technologies (wastewater treatment and technology), water treatment and technology, indigenous technology for climate change mitigation and adaptation, solid waste treatment and technology.

**PEER REVIEW POLICY**
Urbanenvirotech reviewing policies are every submitted paper will be reviewed by at least two peer-reviewers. Reviewers are unaware of the identity of the authors, and authors are also unaware of the identity of reviewers (double blind review method). Reviewing process will consider objectivity, method, scientific impact, conclusion, and references.

**PLAGIARISM CHECK**
Plagiarism screening will be conducted by Urbanenvirotech Editorial Board using Cross ref Similarity Check™ powered by Turnitin® and also using Grammarly® Plagiarism Checker.

**ONLINE SUBMISSIONS**
If you already have a Username/Password for Indonesian Journal of Urban and Environmental Technology, go to login at:
http://www.trijurnal.lemlit.trisakti.ac.id/index.php/urbanenvirotech/login
Need a Username/Password? Go to registration at:
http://www.trijurnal.lemlit.trisakti.ac.id/index.php/urbanenvirotech/user/register
Registration and login are required to submit items online and to check the status of current submissions

**REFERENCE MANAGEMENT**
Every article submitted to Urbanenvirotech shall use reference management software Turnitin.

**COPY EDITING AND PROOFREADING**
Every article accepted by Urbanenvirotech shall be an object to Grammarly® writing-enhancement program conducted by Urbanenvirotech Editorial Board.

**PROCESSING CHARGES**
Every article submitted to Urbanenvirotech will not have any Article Processing Charges. This includes submission, peer-reviewing, editing, publishing, maintaining and archiving, and allows immediate access to the full text versions of the articles.
